Lion test

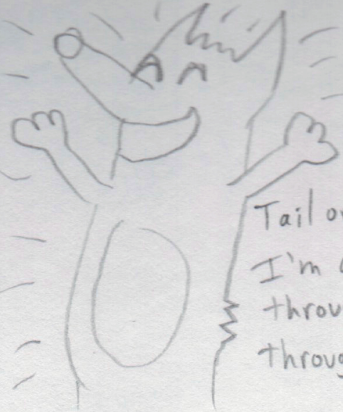

the Dog said that I LOOKED like a fox... ^{it's true!} 

^{ugh, allergies.} the Wolf said that I SMELLED like a fox... 

and the Lion said I TASTE like a fox, ^{I'm leaving.} 

then...

I must be a Fox!

Tail or no tail, I'm a fox through and through!

then I must be a fox!

~~So the fox with no tail became a fox once more.~~

~~for: No matter what you lose, you cannot lose yourself.~~

~~and as for that tail, let's just say that ever reached happily ever after.~~

So the fox with no tail became a fox once more.

for: No matter what you lose, you cannot lose yourself.

and as for that tail, let's just say that ever reached happily ever after.
