Post-Show Activities

TROLL SANDWICHES

Activity Requirements: paper, crayons or markers
15-20 minutes

The littlest goat scares the troll away with a story about a King who likes to eat 'troll sandwiches'. What else does this King like to eat? What are some other ridiculous and silly foods you can think of, and who eats them?

Draw or discuss some ideas for silly foods, and who eats them. Write your story down or draw a picture that you can describe to someone.

ANOTHER TROLL

Activity Requirements: paper, crayons or markers
15-20 minutes

It isn't long before another troll moves in under the bridge. WHAT does that troll look like? HOW will they react to the goats? WHY are they moving there? WHAT will happen next? Make sure your story has a BEGINNING, MIDDLE, and END.

Write your story down or draw a picture that you can describe to someone.
