

This book is dedicated to anyone who lost
something important.

Fox Fables was inspired by the works of the 12th
century storyteller Rabbi Berechiah ha-Nakdan.

nce
upon a time...

...there was a fox with
a long and beautiful tail.

And everywhere they
would go, they'd sing:

I love my tail!
I love my tail!
I love my
T-A-I-L

TAIIILL!

But then one day...

OWWW!

...they fell into a hunter's
trap, and the fox and their
tail were separated.

Where is my tail?
Am I going to be okay?!?!

If I could find it,
I could glue it back on!

Life became very hard for
that fox, for all of the other
animals of the forest
would laugh at them.

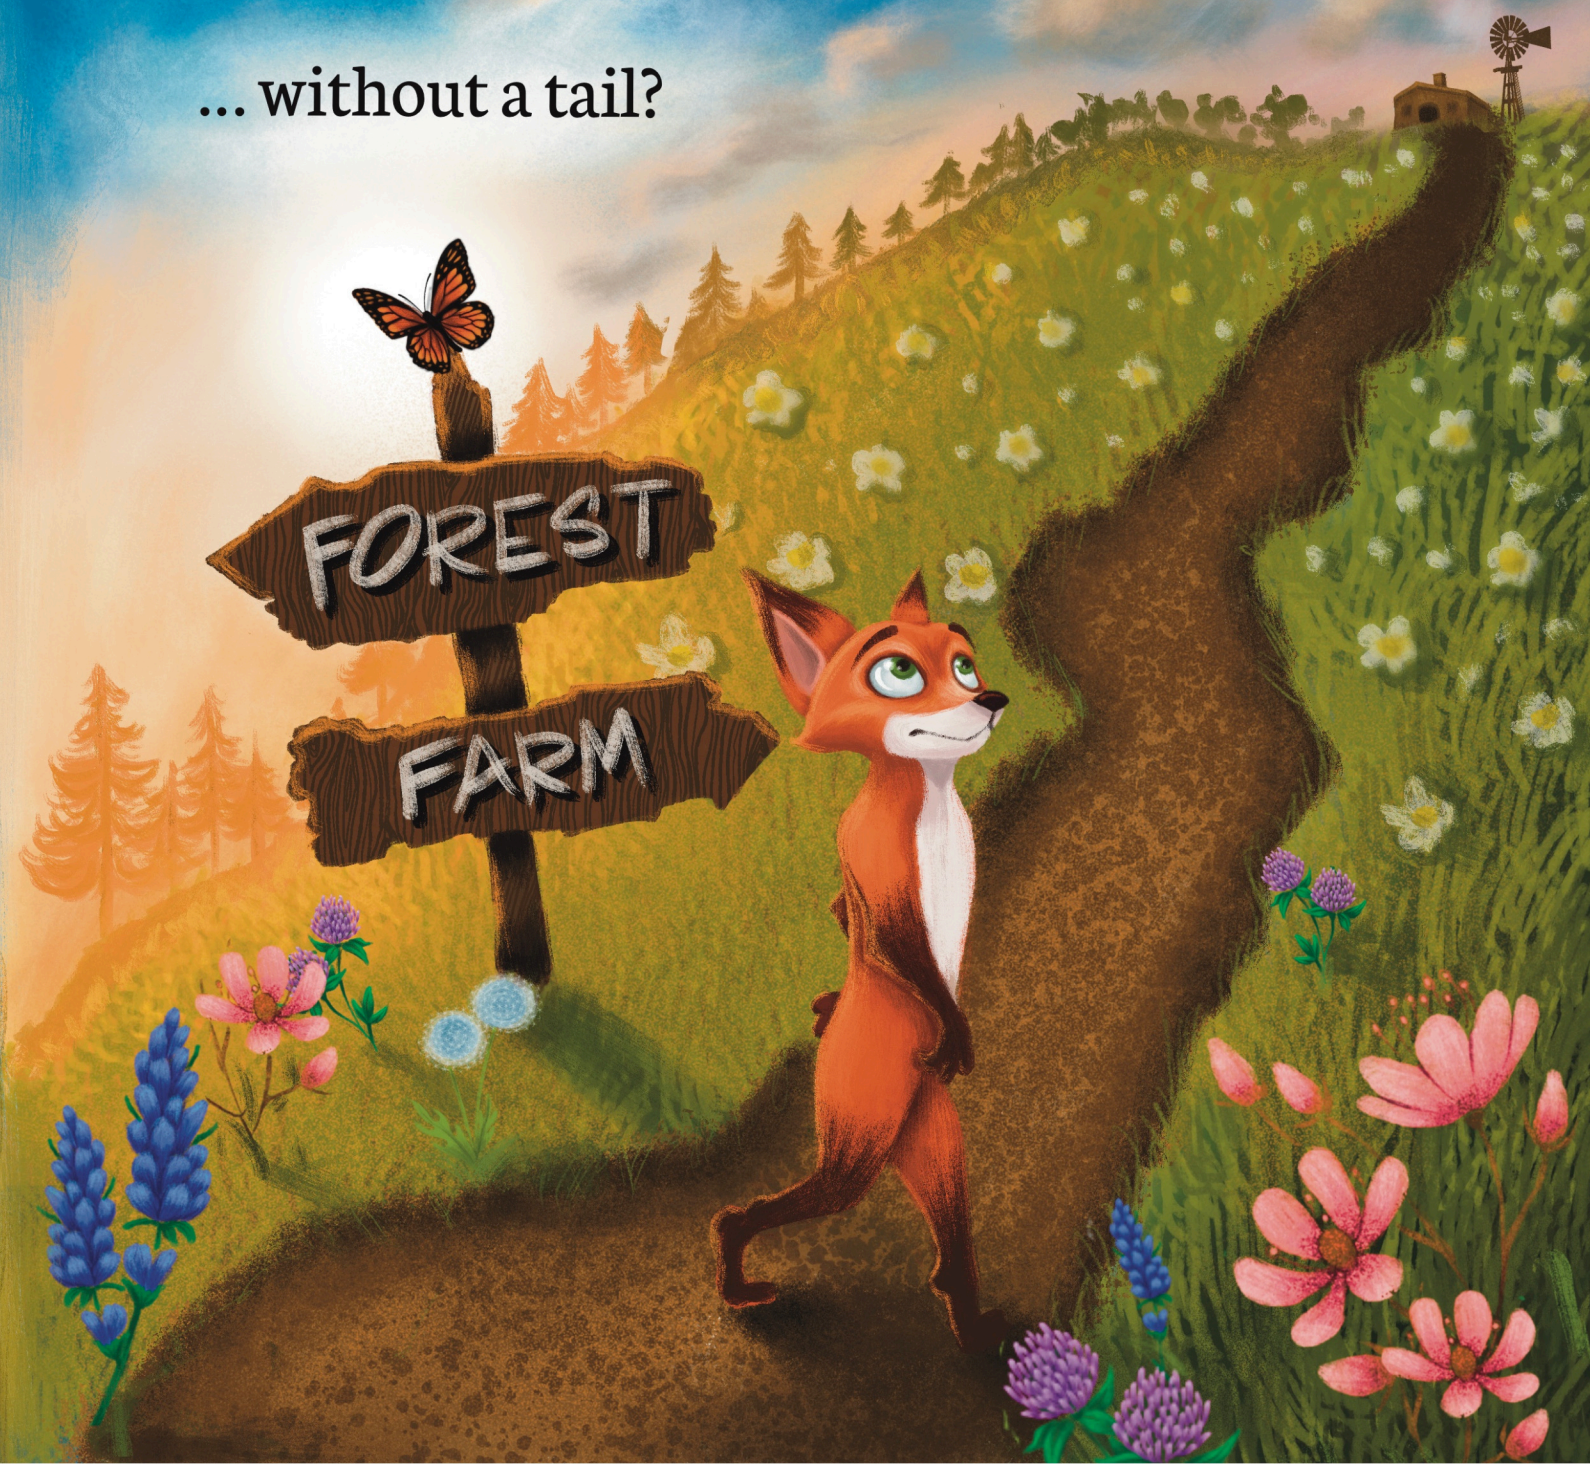

What a joke!
Everybody knows a fox
without a big bushy tail
might as well just be a
dog! Hahahahaha!

...for what is a fox...

They called me
a DOG?
Well, if I'm going
to be a dog...
I'll go live with
the dogs!

... without a tail?

WOOF! WOOF! WOOF!

A FOX!

Ummm...
actually...

I'm a dog.

But you *LOOK*
like a fox, therefore
you are a fox.

GASP!

Well then...

I guess I'll give you
The Dog Test.

There's a
DOG TEST?

Hmmm...
Let's see...

DOG TEST

- ☐ WOOF WOOF!
- ☐ BARK BARK!
- ☐ GROV MVL!

YOU
PASS!

Wow!
Great job!

DOG TEST
100% **A+!**
✓ WOOF WOOF!
✓ BARK BARK!
✓ GROWWWWL!

I'm a dog!

It feels
so good
to *belong*
again!

What do dogs
do all day?

①

☒ WAG TAIL.

②

☒ CHASE TAIL

③

☒ SNIFF EACH
OTHER'S
BUTTS,

NO.

NOT gonna
work.

EWWW!

I'm not sure
I want to be
a dog.

Well then
maybe...

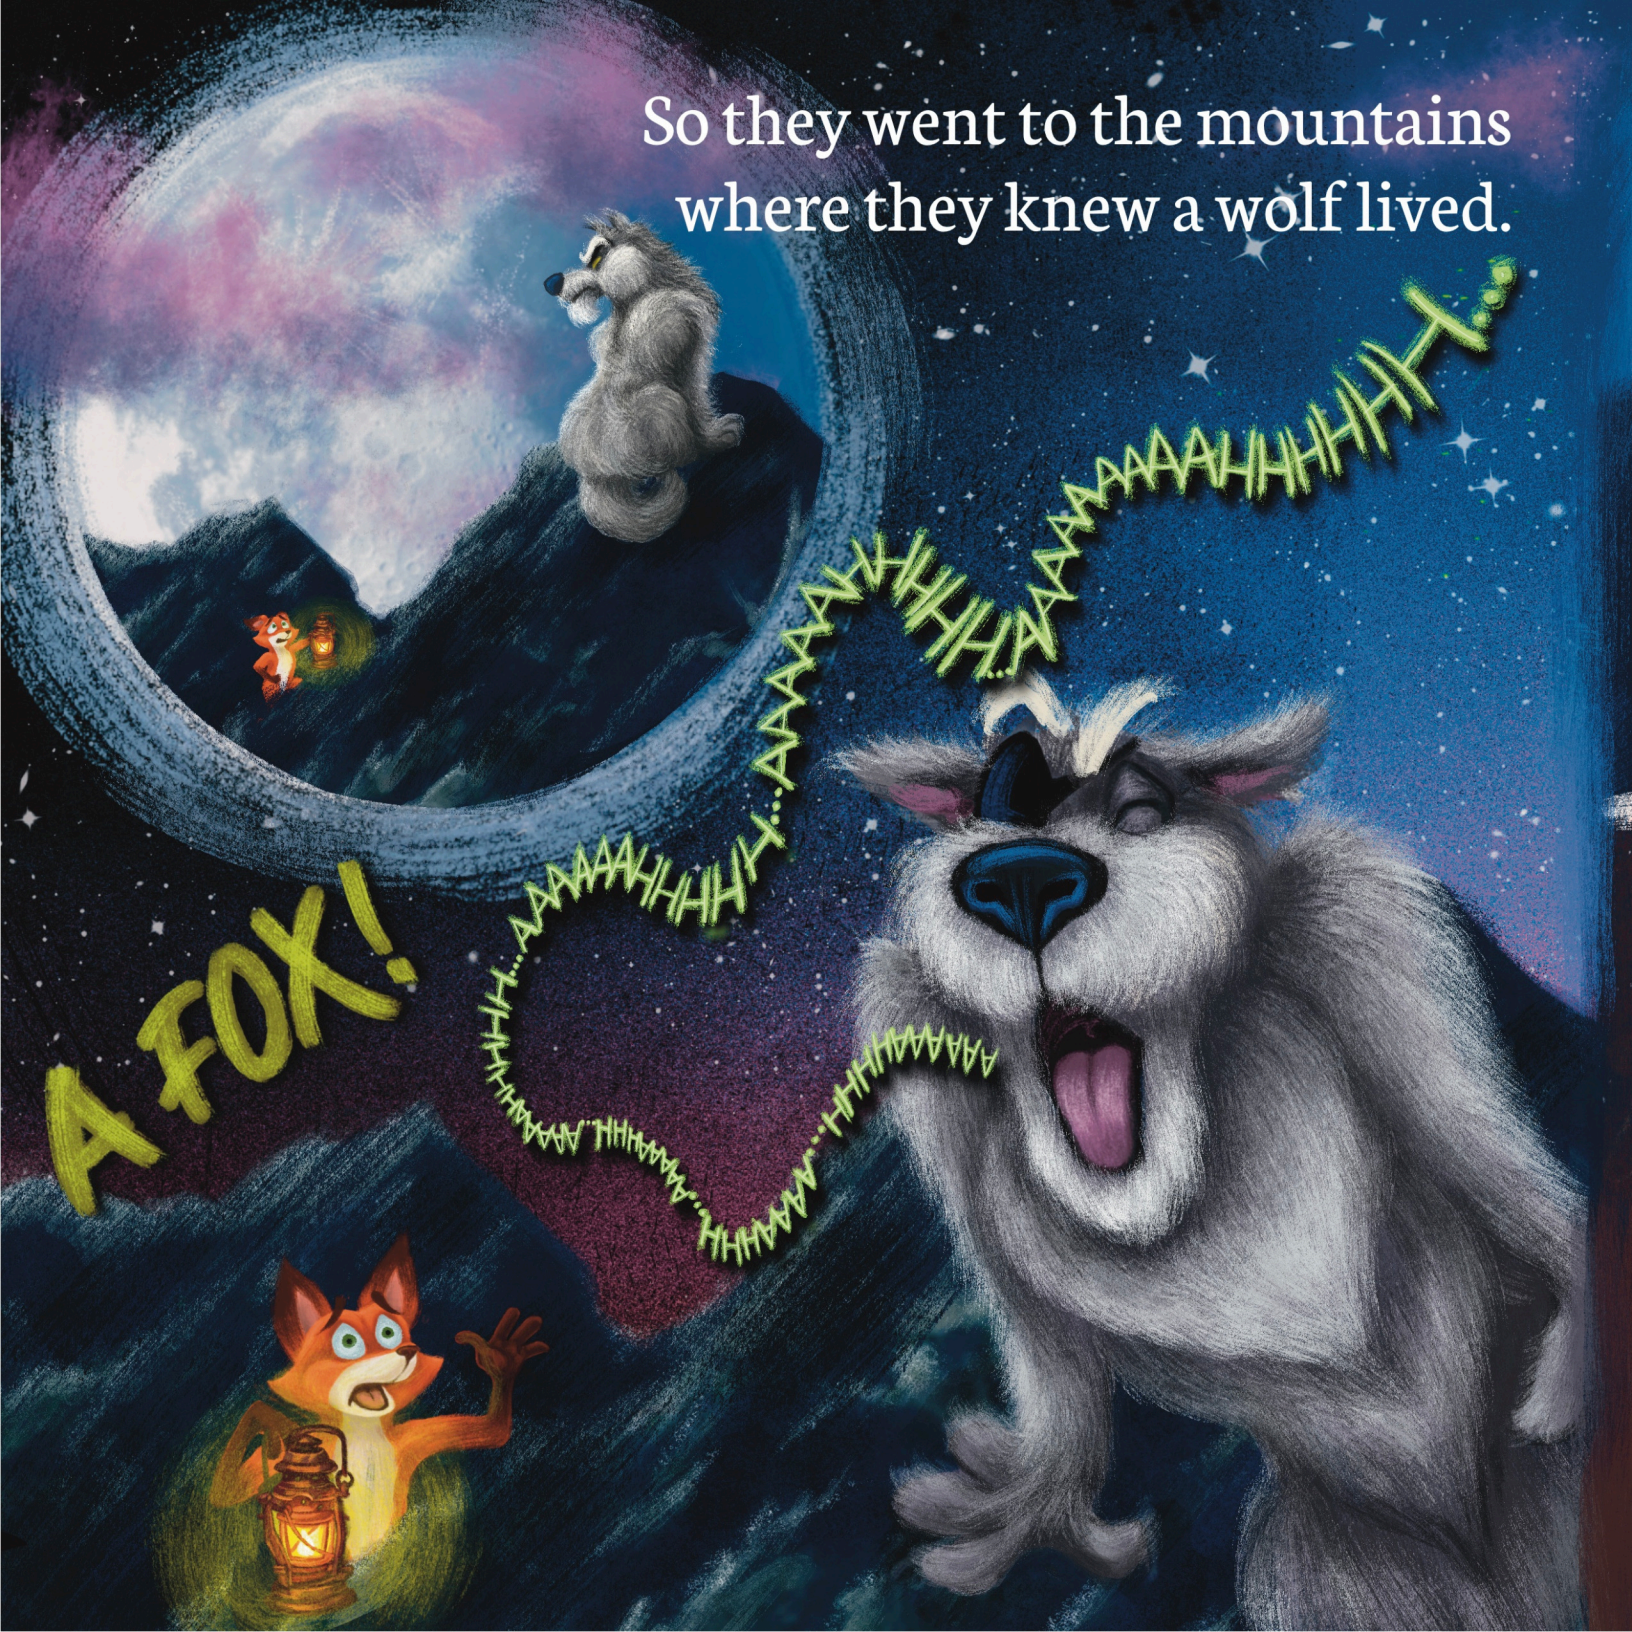

you're a wolf.

I'M A

WOLF?

So they went to the mountains
where they knew a wolf lived.

A FOX!

Foxes make
me SNEEZE!

AAA-CHO-OOOO

Ugggh.
Allergies.

HONK!

Actually, I'm
a wolf.

A wolf?
But you SMELL
Like a fox.

Well then, I guess I'll just
have to give you...
The Wolf Test.

There's a
WOLF
TEST?

AAA-CHO-Oooo

Well there is one
who might be able
to help you.

If I'm not a fox,
or a dog,
or a wolf...
then what am I?

The King of Beasts.

They know every animal

in the entire world.

Please Mr. King of beasts...
I used to be a fox,
But I no longer have a tail!

I tried being a dog...
a wolf...
nothing worked.
Can you please tell me
who I really am?

Hmmm...
Then I...
shall give you...

The Lion Test!

Well, you
TASTE like a
fox, therefore
you are a fox.

WAIT A
MINUTE...

If the dog
said that I
LOOK
like a
fox...

It's
true!

the wolf
said that I
SMELL
like a
fox...

Ugh...
Allergies.

and the lion
said that I
TASTE
like a
fox...

I'm
Leaving.

THENNN...

I...AM...A...FOX!!

So the fox with no tail became a fox
once more, for no matter what you
lose, you cannot lose yourself.

The
End.
